No: 63

Office of the President,
Local Boards, Mysore District.
Dated 21st June 1899

From,

The President of the
Local Boards, Mysore District.

To,

The Secretary to the
Government of Mysore,
Revenue & Police Departments.

Sir,

I have the honour to bring to the notice of Government that the levy of tolls at the Kiarapura gate in the Heggaddevankote Taluk during the year 1898-99 was farmed out to a contractor by name Syed Ahmed Sabi for Rs 1116 or Rs 93 per month. But owing to the prevalence of bubonic plague both in Mysore and Bangalore, plague sheds were constructed in all the border taluks outside the Mysore State and on passengers were kept under observation

The consequence was traffic suffered, and the toll-contractor sustained some loss. I would therefore recommend that you will be so good as to obtain the orders of Government to remit two months' instalment i.e. Rs 186/- on a reference to the Government orders, I find that a similar Concession has been shown in the Shimoga District (Vide G. O. no. 2291 mis 7.369/ dated 18th August 1898). Similarly the Contractor in question deserves some concession and I request you will kindly obtain the sanction of Government for the remission recommended, the amount being debited to plague
